

Cir/011/2025-26

Date : 16-09-2025

Dear Parents,

Job Shadowing is the unique programme initiated as part of the Career Guidance Programme at school for students of Grade 10. This programme offers students an opportunity to spend a day in their chosen work environment and gain a much deeper insight into what a job involves rather than reading job descriptions or asking people questions. Students will be allotted work places in small groups based on their area of interest

Guidelines to be followed at the site:

- Students must report on time in full regular uniform.
- All workplace etiquette must be followed and use of mobile phone is not permitted.

Kindly sign the consent form submit it on September 19, 2025.

We look forward to your support and cooperation,
Best regards,

S/d Principal

Mrs. Srilatha S Alva
