Date: 12-09-2019

Dear Parents,

Students of Grade 10 will take part in an Outbound Training Programme focused on equipping them with Life Skills to enrich their existing talents. They will leave on September 26<sup>th</sup> at 5.00am from the school campus and return on September 28 by 8.00pm.

**Place : Eagle Eye Resorts, Chickmagalur**

**Fee : Rs.7,300/- to be paid to the class teacher on September 18, 2019**

**Program Highlights:**

- Use of the Experiential Learning Cycle model forms the basis of foundation of the management development program. Reflection, sharing and discussion are essential elements during the program facilitated by our trainers.
- A sequential approach will be taken in the design of the program, whereby the complexity and impact of the activities would increase over time.
- This is based on the underlying principle that the experience of success in the activities at each level will spur the group towards success in achieving the prescribed goals of the course.
- Use of Socialization games; group/ Team Initiatives activities & action planning for the future

Commitment Activities towards the end of the program that help translate the learnings from the program into action plans for Student life.
